COACH & MANAGER CODE OF CONDUCT 2026

As a coach you will be in a position of great responsibility in the development of the players you work with, both in terms of personal and football development.

You will inevitably be a role model, especially for the younger age groups, therefore it is imperative that you take your responsibilities seriously and conduct yourself accordingly at all times.

The attitude and behaviours you exhibit will set the tone for the players and parents you work with. You will be responsible for the sporting and football development of the players, and largely responsible for their continued enjoyment of the game. It is important their enjoyment of the game is paramount at all times.

Do not put undue pressure on the players, Remember that the players play football for their own enjoyment - not to fulfil any personal ambitions you may have.
